

FLEXO-GRIP

The different variations and the good price are the advantages of FLEXO-GRIP. Many years ago developed for the US market, this system inspires today collectors from all over the world.

The multitude of pages with different pockets offer almost inexhaustible possibilities; complete collections and single pieces, sheetlets and booklets, combinations and duplicates find their perfect place. But also FDC's, new and old postcards, banknotes and historical bonds are very well placed in FLEXO-GRIP.

The black FLEXO-GRIP pages are double-sided and each side is equipped with the identical pocket and stripe version. The clear pages are only one-sided, but they give a free look on the back of the items. All pages are made of acid-free Hard PVC and are free from chemical softeners.

Two different ring binders with 3 ring mechanism are available for the FLEXO-GRIP pages. Beside the Standard ring binder in blue with matching slip case, we offer a high quality version: The LUXUS ring binder with slip case in wine-red.
